Silane Mixture                                                                                                                                                                                                                                                    | N/A: Mixture                        | 5-10                                              | No                   | N/E                                                        | N/E         |
|                                                                                                                                                                                                                                                                      | N/A: Not Applicable                 |                                                   | N/E: Not Established |                                                            |             |
| Under the reporting requirements of Section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1966 (SARA) and 40 CFR Part 372, chemicals listed on the 313 List (40 CFR Part 373.65) are identified under the heading "SARA 313."              |                                     |                                                   |                      |                                                            |             |
| SECTION 4: EMERGENCY AND FIRST AID PROCEDURES                                                                                                                                                                                                                        |                                     |                                                   |                      |                                                            |             |
| EYE CONTACT: Flush eyes with water for fifteen (15) minutes. If symptoms persist, seek medical attention.                                                                                                                                                            |                                     |                                                   |                      |                                                            |             |
| SKIN CONTACT: Remove contaminated shoes/clothing. Wash material from skin using mild soap and water. If symptoms persist, seek medical attention.                                                                                                                    |                                     |                                                   |                      |                                                            |             |
| INHALATION: Remove victim to fresh air and treat symptomatically. If symptoms persist, seek immediate medical attention.                                                                                                                                             |                                     |                                                   |                      |                                                            |             |
| INGESTION: Do not induce vomiting. If vomiting spontaneously occurs, keep the victim's head below the hips to prevent lung aspiration. Seek immediate medical attention.                                                                                             |                                     |                                                   |                      |                                                            |             |
| MOST IMPORTANT SYMPTOMS/EFFECTS, ACUTE AND CHRONIC: See Section Eleven for Symptoms/Effects.                                                                                                                                                                         |                                     |                                                   |                      |                                                            |             |
| SECTION 5: FIRE AND EXPLOSIVES HAZARDS                                                                                                                                                                                                                               |                                     |                                                   |                      |                                                            |             |
| FLASHPOINT: > 210 °F                                                                                                                                                                                                                                                 |                                     |                                                   |                      |                                                            |             |
| EXTINGUISHING MEDIA: Water fog, foam, dry chemical, and carbon dioxide.                                                                                                                                                                                              |                                     |                                                   |                      |                                                            |             |
| CHEMICAL/COMBUSTION HAZARDS: Carbon monoxide, carbon dioxide, formaldehyde, nitrogen oxides, and incomplete combustion products.                                                                                                                                     |                                     |                                                   |                      |                                                            |             |
| PRECAUTIONS/PERSONAL PROTECTIVE EQUIPMENT: Clear area of unprotected personnel. Fire fighting protective equipment should include helmet, face shield, bunker coat, gloves, rubber boots, and a positive-pressure NIOSH-approved self-contained breathing apparatus. |                                     |                                                   |                      |                                                            |             |
| SECTION 6: ACCIDENTAL RELEASE MEASURES                                                                                                                                                                                                                               |                                     |                                                   |                      |                                                            |             |
| SPILL OR LEAK PROCEDURES: Evacuate the area of unprotected personnel. Wear appropriate personal protective equipment. Dike and contain. Soak up residue with an appropriate absorbent and place in sealed/marked containers for disposal.                            |                                     |                                                   |                      |                                                            |             |
| SECTION 7: HANDLING AND STORAGE                                                                                                                                                                                                                                      |                                     |                                                   |                      |                                                            |             |
| SAFE HANDLING PROCEDURES: Avoid direct contact.                                                                                                                                                                                                                      |                                     |                                                   |                      |                                                            |             |
| SAFE STORAGE: Keep containers closed when not in use. Protect product from freezing.                                                                                                                                                                                 |                                     |                                                   |                      |                                                            |             |

# SAFETY DATA SHEET

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |                                   |                                |                 |             |             |                       |                           |                           |                                  |               |                          |                        |                                   |                     |                    |                     |                             |                            |                             |              |                     |                       |                 |                            |                               |                                |                |                     |                     |  |  |  |  |  |     |  |  |  |  |  |          |  |  |  |  |  |     |  |  |  |  |  |      |  |  |  |  |  |    |

| SECTION 11: TOXICOLOGICAL INFORMATION                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |                                   |                                |                 |             |             |                       |                           |                           |                                  |               |                          |                        |                                   |                     |                    |                     |                             |                            |                             |              |                     |                       |                 |                            |                               |                                |                |                     |                     |  |  |  |  |  |     |  |  |  |  |  |          |  |  |  |  |  |     |  |  |  |  |  |      |  |  |  |  |  |    |
| EYE CONTACT: Direct contact may cause mild to moderate eye irritation. Aerosols/mists may also cause irritation.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |                                   |                                |                 |             |             |                       |                           |                           |                                  |               |                          |                        |                                   |                     |                    |                     |                             |                            |                             |              |                     |                       |                 |                            |                               |                                |                |                     |                     |  |  |  |  |  |     |  |  |  |  |  |          |  |  |  |  |  |     |  |  |  |  |  |      |  |  |  |  |  |    |
| SKIN CONTACT: Direct contact may result in mild to moderate irritation. Prolonged/repeated contact may result in skin sensitization.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |                                   |                                |                 |             |             |                       |                           |                           |                                  |               |                          |                        |                                   |                     |                    |                     |                             |                            |                             |              |                     |                       |                 |                            |                               |                                |                |                     |                     |  |  |  |  |  |     |  |  |  |  |  |          |  |  |  |  |  |     |  |  |  |  |  |      |  |  |  |  |  |    |
| INHALATION: Aerosols/mists may cause irritation of the respiratory tract.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |                                   |                                |                 |             |             |                       |                           |                           |                                  |               |                          |                        |                                   |                     |                    |                     |                             |                            |                             |              |                     |                       |                 |                            |                               |                                |                |                     |                     |  |  |  |  |  |     |  |  |  |  |  |          |  |  |  |  |  |     |  |  |  |  |  |      |  |  |  |  |  |    |
| INGESTION: May cause mild to moderate irritation of the digestive tract. Lung aspiration may result in serious injury to the respiratory tract.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |                                   |                                |                 |             |             |                       |                           |                           |                                  |               |                          |                        |                                   |                     |                    |                     |                             |                            |                             |              |                     |                       |                 |                            |                               |                                |                |                     |                     |  |  |  |  |  |     |  |  |  |  |  |          |  |  |  |  |  |     |  |  |  |  |  |      |  |  |  |  |  |    |
| SIGNS AND SYMPTOMS: Symptoms of eye irritation include pain, tearing, reddening, and swelling. Symptoms of skin irritation include reddening, swelling, rash, and redness. Symptoms of respiratory irritation include runny nose, sore throat, coughing, chest discomfort, shortness of breath, and reduced lung function. Symptoms of gastrointestinal irritation include sore throat, abdominal pain, nausea, vomiting, and diarrhea.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |                                   |                                |                 |             |             |                       |                           |                           |                                  |               |                          |                        |                                   |                     |                    |                     |                             |                            |                             |              |                     |                       |                 |                            |                               |                                |                |                     |                     |  |  |  |  |  |     |  |  |  |  |  |          |  |  |  |  |  |     |  |  |  |  |  |      |  |  |  |  |  |    |
| AGGRAVATED MEDICAL CONDITIONS: Pre-existing skin, eye, and respiratory disorders may be aggravated by exposure to this product.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |                                   |                                |                 |             |             |                       |                           |                           |                                  |               |                          |                        |                                   |                     |                    |                     |                             |                            |                             |              |                     |                       |                 |                            |                               |                                |                |                     |                     |  |  |  |  |  |     |  |  |  |  |  |          |  |  |  |  |  |     |  |  |  |  |  |      |  |  |  |  |  |    |
